

OMI
WEBINAR
Commencement

1

#ORALMOTORISNOTNEW

- It originated over 100 years ago.
- There is research.
- There's 1000s of SLPs using this modality.
- Oral motor is an umbrella term.
- Oral motor is evidence based.

2

**OUR FOUNDER
PAM MARSHALLA**

Pam founded the Oral Motor Institute in 2007. She was a strong advocate of correct oral placement and how to achieve it which explains why her techniques were so successful.

3

THE OMI'S AREAS OF FOCUS

Ethics

We endorse public safety through assessment and treatment of oral motor disorders within licensure guidelines and professional scope of practice.

Education

We educate the multi-disciplinary team that assesses and treats oral motor dysfunction throughout the lifespan.

Evidence

Supports the integrity of oral motor sciences by providing access to research.

Advocacy

Advocates for an increased scientific understanding of oral motor assessment and treatment.

4

JOIN THE OMI!

The Oral Motor Institute's Mission is to support the specialty of oral -motor based therapy approaches that enhance the development of the orofacial complex and the functions of respiration, sleep, feeding, swallowing and speech.

www.oralmotorinstitute.org

The block contains a light orange rectangular area with the text 'JOIN THE OMI!' and a paragraph describing the institute's mission. To the right of this area is the circular logo for 'THE ORAL MOTOR INSTITUTE FOR THE SCIENCE OF ORAL MOTOR TREATMENT', which features a glowing lightbulb. Below the logo is a QR code.
